## Tips:

- **Many majors fill by the priority deadline**
- **Pre-requisite coursework is critical for high-demand majors!**
- **Personal Statement is important!**

| **Application Deadlines** | |
|---|---|
| Fall: | February 1st |
| Spring: | October 1st |

All applications received after these deadlines will be reviewed on a **space-available** basis. Many majors fill with applications received by the application deadlines. Final deadlines for majors which have not filled are June 1 (fall) and December 1 (spring)

- **NOTE**: We do not recommend that you take coursework specific to your intended major beyond the courses listed in this guide.

- **NOTE**: Completion of either the Minnesota Transfer Curriculum (MNTC) or an Associate of Arts (AA) degree will satisfy the majority of the University of Minnesota's liberal education requirements. Here is a link to the IHCC Liberal Education Transfer guide, to use if you are not planning to complete either an AA or the MNTC before applying for transfer: http://admissions.tc.umn.edu/CLE/009740.html
