APPENDIX A:
Project Coordinator and Grad Research Assistant Feedback Forms – Round 1

MRC Intervention: PC Feedback Round 1

1. Follow along on script and note any general observations/reactions to what is happening. Please note anything/everything that comes to mind (can be about the content and/or delivery).
2. Note the number of min for each section (intro, pre-teaching, modeling, guided practice, review)
3. Together, immediately record your open-ended reactions (see below).
4. Share open-ended reactions with group.
5. Walk through script and respond to specific questions.

Open-ended reactions to:

- Teacher's script
- Pacing (Too slow? Too fast?)
- Reading together
- Hearing the questions asked out loud
- Students answering questions during reading
- Number of times each student got to respond to a question
- How feedback was provided
- Point system
- Students' engagement in the task
- Students' engagement with the text
- The materials (BECAUSE card, flashcard, point sheet)

APPENDIX B:
FOCUS GROUP INTERVIEW - FACILITATOR VERSION

MRC Intervention: GRA Feedback Round 1
