MRC FALL TRIAL RUN: GRA INTERVENTION LOG

GRA: _____ Group #: _____ School: _____

Question Type: (circle) Causal General Question Timing: (circle) Online Offline

Session 1 (Introduction) Date: _____ Time started: _____ Time ended: _____

Student names:	ID#	Check if present	Notes/Comments (e.g., student had to leave partway through session, behavior issues, etc.)

The purpose of the Introduction is to orient students to the Making the Right Connections activity.

Please rate the extent to which you agree with the following:	1 = disagree	2 = somewhat disagree	3 = somewhat agree	4 = agree
1. Students understood the purpose of the activity.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
2. Students understood how materials will be used.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
3. Students understood the rules.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
3. Students 'bought in' to the rules.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
5. Students understood the point system.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
6. Students 'bought in' to the point system.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				

MRC FALL TRIAL RUN: GRA INTERVENTION LOG

Please rate the feasibility of the following aspects of this session. Feasibility = practicality and ease of implementation.	1 (infeasible)	2 (somewhat infeasible)	3 (somewhat feasible)	4 (feasible)
1. Implementing the introduction in the time allotted.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
2. Following the script.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
3. Maintaining student attention/engagement.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
4. Eliciting responses from students.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
5. Using the materials.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				

Please note any other aspects of the Introduction that you think should be added, deleted, or improved.

MRC FALL TRIAL RUN: GRA INTERVENTION LOG

Session 2 Date: _____ Time started: _____ Time ended: _____

Student names:	ID#	Check if present	Notes/Comments (e.g., student had to leave partway through session, behavior issues, etc.)

Pre-Teaching and Modeling

Please rate the extent to which you agree with the following:	1 = disagree	2 = somewhat disagree	3 = somewhat agree	4 = agree
1. Provided a sufficient review of the purpose of the activity.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
2. Provided a sufficient review of the rules & point system.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
3. Activated student background knowledge about the story.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
4. Provided clear definitions of key vocabulary.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
5. Provided a sufficient demonstration of procedures for making connections.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				

MRC FALL TRIAL RUN: GRA INTERVENTION LOG

Ongoing Instruction

Please note the last question answered:	
Did you finish reading the whole story?	
Did you have time to retell the story?	

Please rate the extent to which you agree with the following:	1 = disagree	2 = somewhat disagree	3 = somewhat agree	4 = agree
1. Provided sufficient opportunities for all students to read.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
2. Provided sufficient opportunities for all students to answer questions.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
3. Provided sufficient feedback to students to make good connections.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.				
4. Maintained student attention and engagement with the activity.	1	2	3	4
If your rating was between 1-3, please note specific issues/problems and how you think this aspect can be improved.
