Multiple Pathways to Teaching
M. Ed. / Initial Licensure in 5-8 General Science
Prerequisite Course Evaluation

Students pursuing the MN 5-8 general science license at the University of Minnesota are required to have an undergraduate degree from an accredited institution with a major in science **or** closely related field, and with appropriate liberal arts/general education coursework. Students must verify their general science subject area competency by completion of the following courses **or** equivalent.

Name:	Primary Institution:	Date:
UM ID:	E-mail:	Prepared by:

Content Area	Course Requirement From Accredited Institution	Yes/No	Course/Notes	Equivalent U of M Course Options
Psychology	General Psychology			PSY 1001 or PSTL 1281
Life Science two courses (with labs)	Biology I			BIOL 1001, 1009, or 2002
	Biology II			BIOL 1002 or 2003
Physics sequence two courses (with labs)	Physics I			PHYS 1101, 1201W, or 1301W
	Physics II			PHYS 1102, 1202W, or 1302W
Chemistry sequence two courses (with labs)	General Chemistry I			CHEM 1021
	General Chemistry II			CHEM 1022
Earth science two courses (with labs)	Physical Geology			GEO 1001 or ESCI 1001
	Astronomy			AST 1001

The student services and faculty advisers will review prerequisites to ensure that they allow candidates to meet the Standards of Effective Practice and Subject Matter Standards. Prerequisites that have not been met will be added to the candidate's plan/contract and tracked in the TK20 system through a milestone designation.

Additional Notes:

This is a preliminary review only. The official review will be completed upon application for admission to the University of Minnesota, College of Education and Human Development.
