What are the Benefits?

Learn about specific job opportunities and anticipated needs.

Opportunity to interview onsite for position(s).

Access to 100+ school districts and education organizations from MN and nationwide.

Gain personal contacts with school district and education organization representatives.

Attend information sessions to learn about specific districts.

To Register

You must register for the fair through CEHD Career Services using GoldPASS by April 5.

Connections

Engagement with representatives include:

- Exhibit Booths

  Engage with districts and build relationships. This is a great time to ask individual questions about the district and make a personal connection.

- Information Sessions

  Gain general information about districts

- Interviews

  Quick 20-30 minute interviews. This is your time to share the skills and strengths you have build through your classroom and co-teaching experience with the districts. *refer to “Before the Fair” presentation to learn how to inquire about interviews*

Logistics

- Register before the deadline.
- A limited amount of need based fee waivers are available.
- Plan your transportation and parking and arrive early.
- Bring your U card or unofficial transcript.
- Check in at the U of M College of Education & Human Development check-in table for nametag and list of districts in attendance.
- Lunch is only available to those who pre-register by deadline! Additional lunch options near by.

Accessibility

- *Mothers' rooms* are available for students and employers. Please see the employer registration desk at the event for locations and access codes.

- For accessibility information as well as to make special accommodations prior to the job fair, contact CEHD Career Services at least two weeks prior to the fair.
