Research, Evaluation, and Assessment Services at CAREI

CENTER FOR APPLIED RESEARCH AND EDUCATIONAL IMPROVEMENT

Danielle Dupuis, PhD, Delia Kundin, PhD & Ethan Brown, MA

COLLEGE OF EDUCATION + HUMAN DEVELOPMENT
UNIVERSITY OF MINNESOTA

OUR MISSION & VISION

CAREI's mission is to improve the quality of education for all learners, thereby society as a whole. We do this through four service offerings: (a) evaluation, (b) research, (c) assessment, and (d) innovation & outreach. As applied researchers and evaluators, we believe we can have an immediate impact on our communities. Accordingly, we listen to and work with our clients and partners to understand their experiences. CAREI seeks to impact 80% of Minnesota students within five years.
