Student travel funding request 2019-2020

2019-2020 travel award amounts will be up to $500 per student for national and international conferences. Travel funds may also be used for state/regional conferences, with a reduced reimbursement maximum of $300. As a traveler utilizing University funds, you are required to know the travel policies. Please be sure to familiarize yourself with these policies (link below). New Department guidelines: all travel reimbursements must be submitted **within 30 days** of travel completion. Reimbursement requests received 60 days after travel will be denied.

To qualify for these funds:

- You must be an active Educational Psychology MA, SC or PhD student.
- You must travel to and present at a regional, national or international conference.
- Your faculty advisor must approve the travel.
