Student Teaching Seminar	Total:8	

Students must enroll in 2 credits of EPsy 5701 (60 hours) OR submit a petition AND provide letter of verification for hours worked in a general education classroom. *Not required if you have a current MN teaching license.*

Not required if you have a current MN teaching license. Must register for EPsy 5991 instead of 5690.

*Practicum experiences are completed during regular school day hours. Placements are within our partner districts/schools and are requested and finalized by the Special Education Program Field Placement Coordinator. **Register for practicum no less than one month before the start of the semester, however, the sooner the better.** Be aware of your personal/work schedules when selecting your practicum section.

**Student teaching placement applications are emailed spring semester of year one. Student teaching is a full-time commitment for 15 weeks. Placements are within our partner districts/schools and are requested and finalized by the Special Education Program Field Placement Coordinator.

***Year 3 student teaching placement applications are emailed spring semester year two.

This program plan is based on information available at this time. Schedules and courses are subject to change; please check-in with your advisor regularly.
