Students must enroll in up to 2 credits of EPsy 5701 (60 hours) OR submit a petition AND provide letter of verification for hours worked in a general education classroom. *Not required if you have a current MN teaching license.*

Revised May 2017

Not required if you have a current MN teaching license. Must register for EPsy 5991 in place of EPsy 5690.

*Practicum experiences are completed during regular school day hours. Placements are within our partner districts/schools and are requested and finalized by the Special Education Program Field Placement Coordinator. **Register for practicum no less than one month before the start of the semester.** Consider your personal/work schedules prior to selecting practicum section.

**Student teaching placement applications are emailed spring semester of year one. Student teaching is a full-time commitment for 15 weeks. Placements are within our partner districts/schools and are requested and finalized by the Special Education Program Field Placement Coordinator. The practicum for anchor licensure is a full-time commitment for 8 weeks. Application for placement is emailed spring semester of year two. Placements must be in different settings (elementary and middle or secondary).

This program plan is based on information available at this time. Schedule and courses are subject to change; please check-in with your advisor regularly.
