GOLDPASS: PROFESSIONAL NETWORKING DATABASE

Network with and prepare current University of Minnesota students

Register on the University of Minnesota Professional Networking database through GoldPASS http://www.goldpass.umn.edu/ to interact with students and alumni from the College of Biological Sciences, College of Education and Human Development, College of Liberal Arts, and the College of Science and Engineering. Students and alumni may contact you with career-related questions and you may offer your advice.

This resource will provide you with opportunities to:

- Connect and engage with students in their career exploration. This may include informational interviewing, job shadowing, or other activities
- Build awareness of your organization
- Get involved on campus
- Share your own career story

Register – at no charge - today GoldPASS by clicking the 'Mentors' login button.
