Student Teaching Seminar		

Revised January 2018

Students must enroll in 2 credits (120 hours) of EPsy 5701. Hours/credits can be split across two semesters - 60 hours per credit.

Not required if you have a current MN teaching license. Must register for EPsy 5991 in place of EPsy 5690.

*Practicum experiences are completed during regular school day hours. Placements are within our partner districts/schools and are requested and finalized by the Special Education Program Field Placement Coordinator. **Register for practicum no less than one month before the start of the semester, however, the sooner the better.** Consider your personal/work schedules prior to selecting practicum section.

**Student teaching placement applications are emailed spring semester of year one. Student teaching is a full-time commitment for 12 weeks. Placements are within our partner districts/schools and are requested and finalized by the Special Education Program Field Placement Coordinator.

This program plan is based on information available at this time. Schedule and courses are subject to change; please check-in with your advisor regularly.
