	Sub-Total of Semester Credits (Minimum of 18)		

Minor or Supporting Program: A minimum of 12 credits that are outside the major track. Students pursuing official minors (outside CI) must consult the minor program for their requirements.

Course Designator	Course Title	Term/ Year	Semester Credits
	Sub-Total of Semester Credits (Minimum of 12)		

Electives: 3 course credits to be determined in consultation with adviser

Course Designator	Course Title	Term/ Year	Semester Credits
	Sub-Total of Semester Credits (3)		
	Total of Course Credits (54 minimum)		

Thesis Credits: 24 Thesis Credits are required (CI 8888). Thesis credits are not graded. Students may start registering for CI 8888 after they have completed at least 36 course credits. Permission for early thesis credit registration is granted by the Graduate Studies Coordinator (cigs@umn.edu) after the student has filled out and submitted the PhD Early Thesis Credit Registration Request.

Once a student registers for their last 54 credits of coursework – and this form is completely filled in – please have the faculty adviser(s) sign the form, then return the signed form to the Graduate Studies Coordinator (125 Peik Hall or cigs@umn.edu). Please note: transfer coursework should be listed on this form as well – please note next to the course what institution the course is being transferred from.
