Recommendations for Research Methodology Depth
Ph.D. in Education: Curriculum and Instruction
(18 credits minimum) updated Jan 2014

Depth in a Selected Qualitative Methodology	Depth in a Selected Quantitative Procedure	Strength in Either a Quantitative or Qualitative Methodology with a Blend of the Other
Ethnographic Research ***Required:*** • CI 8133 Research Methods in CI • CI 8148 Conducting Qualitative Studies in Educational Contexts • OLPD 8812 Quantitative Research in Ed. ***Choice of 9 credits from the following:*** • CI 8146 Critical Ethnography in Education (8146 *or* EdPA 5061 <u>required</u>) • EdPA 5061 Ethnographic Research Methods (5061 *or* CI 8146 <u>required</u>) • CI 8147 Critical Discourse Analysis • CI 8149 Qualitative Research: Coding, Analysis, Interpretations, and Writing • CI 8150 Research Approaches to Classroom Discourse • CI 8155 Immigrant Families and U.S. Schools • CI 8157 Cultural Studies in Education • CI 8470 Research Approaches to Classroom Discourse • GWSS 5101 Feminist Approaches to Ethnography • AMST 8289 Ethnographic Research Methods: Research Strategies in American Studies** • ANTH 8203 Research methods in Social and Cultural Anthropology • EPSY 8247 Advanced Interviewing with NVIVO • Course of advisor's discretion	**Quantitative Methods** ***Required:*** • CI 8133 Research Methods in CI • CI 8148 Conducting Qualitative Studies in Educational Contexts • OLPD 8812 Quantitative Research in Ed. ***Choice of 9 credits from the following:*** • EPSY 8261 Statistical Methods I: Probability and Inference • EPSY 8262 Statistical Methods II: Regression and the General Linear Model • An advanced statistics course from EPSY or STAT • Course of advisor's discretion	**Strength in Qualitative Methodology with a Blend of Quantitative Methodology** ***Required:*** • CI 8133 Research Methods in CI • CI 8148 Conducting Qualitative Studies in Educational Contexts • OLPD 8812 Quantitative Research in Ed. ***Choice of 6 credits from the following:*** • CI 8145 Mixed Methods Research (<u>required</u>) • Courses listed for <u>one</u> of the qualitative methodologies in the left-hand column of this table. ***Choice of 3 credits from the following:*** • EPSY statistics course at the 8xxx level • Course of advisor's discretion
Case Study ***Required:*** • CI 8133 Research Methods in CI • CI 8148 Conducting Qualitative Studies in Educational Contexts • OLPD 8812 Quantitative Research in Ed. ***Choice of 9 credits from the following:*** • OLPD 5056 Case Studies for Policy Research (<u>required</u>)	**Hierarchical Linear Modeling** ***Required:*** • CI 8133 Research Methods in CI • CI 8148 Conducting Qualitative Studies in Educational Contexts • OLPD 8812 Quantitative Research in Ed. ***Choice of 9 credits from the following:*** • EPSY 8261 Stat Methods I: Probability & Inference • EPSY 8262 Stat Methods II: Regression & General	**Strength in Quantitative Methodology with a Blend of Qualitative Methodology** ***Required:*** • CI 8133 Research Methods in CI • CI 8148 Conducting Qualitative Studies in Educational Contexts • OLPD 8812 Quantitative Research in Ed.

• **CI 5660 Language Revitalization** • **CI 8146 Critical Ethnography in Education** • **CI 8147 Critical Discourse Analysis** • **CI 8150 Discourse Analysis** • **CI 8150 Narrative Inquiry in Education** • **CI 8150 Language Policy** • **CI 8150 Indigenous Language Revitalization: Critical Research Methods** • **CI 8155 Immigrant Families and U.S. Schools** • **OLPD 5061 Ethnographic Research Methods** • **EPSY 8247 Advanced Interviewing with NVIVO** • **Course of advisor's discretion**	**Linear Model** • **EPSY 8268 Hierarchical Linear Modeling in Educational Research** • **Guided research experience with a HLM focus**	• **EPSY 8261 Statistical Methods I: Probability and Inference** • **EPSY 8262 Statistical Methods II: Regression and the General Linear Model** ***Choice of 3 credits from the following:*** • **CI 8145: Mixed Methods Research** • **Courses listed for one of the qualitative methodologies in the left-hand column of this table.** • **Course of advisor's discretion**
Discourse Analysis ***Required:*** • **CI 8133 Research Methods in CI** • **CI 8148 Conducting Qualitative Studies in Educational Contexts** • **OLPD 8812 Quantitative Research in Ed.** ***Choice of 9 credits from the following:*** • **CI 8147 Critical Discourse Analysis (8147 *or* CI 8150 Discourse Analysis <u>required</u>)** • **CI 8xxx Discourse Analysis (8xxx *or* CI 8147 <u>required</u>)** • **CI 8150 Sociolinguistic Research Methods in** • **CI 8150 Research Approaches to Classroom Discourse** • **CI 8146 Critical Ethnography in Education** • **CI 8157 Cultural Studies in Education** • **CI 8470 Research Approaches to Classroom Discourse** • **ANTH 8810 Linguistic Anthropology** • **CI 8149 Qualitative Research: Coding, Analysis, Interpretation, and Writing** • **COMM 5461 Conversation Analysis** • **LING 5462 Conversation Analysis** • **Course of advisor's discretion**	**Measurement** ***Required:*** • **CI 8133 Research Methods in CI** • **CI 8148 Conducting Qualitative Studies in Educational Contexts** • **OLPD 8812 Quantitative Research in Ed.** ***Choice of 9 credits from the following:*** • **EPSY 5221 Principles of Educational and Psychological Measurement (<u>required</u>)** • **EPSY 5222 Measurement and Analysis: K-12 Education Accountability (<u>required</u>)** • **EPSY 5261 Introductory Statistical Methods** • **EPSY 5262 Intermediate Statistical Methods** • **Guided research experience with a measurement focus**	
	Survey Research ***Required:*** • **CI 8133 Research Methods in CI** • **CI 8148 Conducting Qualitative Studies in Educational Contexts** • **OLPD 8812 Quantitative Research in Ed.** ***Choice of 9 credits from the following:*** • **EPSY 5244 Survey Design, Sampling, and Implementations (<u>Required</u>)** • **EPSY 5261 Introductory Statistical Methods** • **EPSY 5262 Intermediate Statistical Methods** • **Course of advisor's discretion**
